Our Life Together

Beyond expressing our best wishes to all moms among us, today we honor the role our God means for motherhood to have in the human family. We all realize that the world is not perfect, so there are many heartaches he never meant the objects of his love to bear. Yet, the Lord's mother stood by him even at the cross, and he expressed his care for her even there (Jn. 19:26). That is the way of love and wisdom. A woman who fears the LORD is to be praised, and it is appropriate that her children rise up and call her blessed (Prov. 31:28, 30).

Some of our young men and women are home from college for the summer now, and our younger students will be finishing the school year in a few days. All kinds of activities will begin, both in our families and in our congregation. We hope everyone enjoys the season and is refreshed by it. It's a great time of the year. Live it for the Lord.

It has been ten years! The first Sunday in June, that is, since our first meeting in this facility. We will remember a bit, and celebrate the occasion, and look forward a little on that day. Notice inside the announcement about the special schedule and the activities for that day. Plan to be with us. Invite family, friends, and brothers and sisters who have moved to other communities to come and join us that day.

Remember that our Wednesday evening Summer Series begins June 6. It will continue through August 15. We will all meet together in the auditorium to begin. We will begin with a few songs, have our family announcements and prayer, then dismiss our children for their classes. The rest of us will remain and our guest speakers will lead us in a special series of classes on the theme "He Is My Everything." We look forward to enjoying it together!

Everybody have a great week. Remember, live it for the Lord!
