## Welcome to our Guests

We are honored that you joined us. We hope you will be blessed by your time with us. We have an attended nursery, a cry/training room and a nursing mother's room for your convenience if you have small children. Please fill out an attendance card and pass it to the end of the pew so that we may thank you for your visit.

## Where We Do Our Work

Have you thought about this while we're reading Acts? Big things happen—things like a congregation established in Samaria, or a persecutor of the faith turned into a preacher of it, or Gentiles baptized in the name of Christ by an apostle who was Jewish. These are not ordinary events.

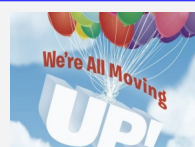

But they happen right in the midst of life that is. Aeneas is paralyzed. Dorcas dies. While some are being big-hearted, others are being little. Opposing forces are present. People are afraid. There are daily needs. Some complain that they are neglected. There is criticism.

The church still does its work and its growing in circumstances that include the mixture of all human experiences, as its Lord did. Much of our work involves paying attention to those experiences, being aware of how the gospel answers them, and being active in applying it through word and deed.

—Bill McFarland

The two little boys go to "y" each day so we take them and pick them up too. We appreciate your every act of kindness toward Jason and his boys and us too. Your words of encouragement were uplifting. The cards and messages were very meaningful and your prayers were answered for Jason's improvement. He went from a wheelchair to walker and now on arm braces at elbow. They went to Noel's in Albuquerque for a week. We also thank you for the beautiful anniversary cards. We love you all. Oran & Nadean*
