## HELPS FOR HOMES

is the theme of our sermon series through the first Lord's day in November in both our morning and evening assemblies. In each message we are calling attention to one word which represents a concept that will have a huge impact in a family. The practical things may not be what we would first think. Meaning. Self with the identity and character that corresponds to that meaning. And now, Honor. Then this evening, Empathize. These are action words that are important and scriptural. Be sure to be with us.
