About Our Work

If you've been with us a while, you know we've tried to do some kind of series about living for the Lord in our families at some point each year. This time we're going to do it on Sunday mornings these last two months of 2019, starting this Lord's day. We'll do it in a bit different way this time, too. We'll take several of the practical-faith themes from the Letter of James and examine their applications in the dearest settings of our lives—our families. I think it will be an exercise we all need and will appreciate. Please pray for us, plan to be with us, and invite your friends.

This Sunday evening we're going to think about the increase in the religious "nones" in our society. What does it mean about the future of religion in general and for Christians in particular? It's a challenge to our faith and hope and love that we need to be able to handle. Be with us this evening if you can.

I want to express all of our very best wishes to Miss Bonnie as she makes a transition from here to Wisconsin. She and her family are dear to us and we will miss her presence. Besides that, her moving away means all of us are now going to have to step up and help Sandy keep Mr. Kerry in line.

We had some kind of enjoyable fellowship activity or other enjoyable activity each Sunday or each weekend in October. Thanks to all of you who have helped with them or participated in them. We had a lot of fun with the kids last Sunday evening. Thanks to all of you who made it that way.

We will have a group of our young people going to the Deeper Youth Conference at Center Street in Fayetteville next Friday and Saturday. We are thankful for them and we appreciate their interest. I am especially grateful to Jason and Lora for accompanying the group for this activity.

Everybody pray for our work together, and for the Lord's kingdom everywhere.

—Bill McFarland
