**The House is Built,
Now let's help make it a Home!**

On November 3, 2019, Tim and Becky Marsolf returned home from a family birthday party to find their home engulfed in flames. It was a total loss. At the time of the fire, we talked to them about what we could do. The insurance paid for the big things. Now we want to help with the little things. So we've decided on an "Old Fashioned Pounding," which means a pound of this and pound of that (a pound of sugar, flour, potatoes, etc.).

After clean up, they started rebuilding and they've done most of the work themselves. **We are ready for the "POUNDING"**.
