## Disciples Making Disciples: What Are We Thinking? ~February 18-19, 2023~ with David Deffenbaugh

The church struggles with evangelism. Something is not right when emotions of guilt, anxiety, and frustration accompany our consideration of what we know God desires. So what has changed? Conformity to worldly thinking can, and has, infected the church. What the church needs is transformed thinking; thinking that is more biblical. Let's spend some time in God's word investigating our own mindset, attitudes, motivation, and underlying assumptions for making disciples of Jesus the King. PLEASE COME AND JOIN US.
